

Community Development Officer

The Community Development Officer has responsibility for the centre and works with local groups and agencies across the North Berwick area to provide a wealth of vibrant, stimulating, fun and inclusive learning opportunities. There are strong foundations from which to grow and develop.

What's missing in your community?

Can everyone access the facilities they need?

If you have ideas for groups, courses and activities, please get in touch, we can help you develop your plans and make connections to enrich your community.

For further information on community development and learning opportunities please contact the centre on 01620 893056 and ask for
