**Law After School** club is a member of, and run by **East Lothian Out of School Care Network**. ELOSCN is itself managed by voluntary management board and is a registered charity group. We run a **Breakfast Club/ After School Club & Holiday Club**. We provide a safe, caring, fun and affordable play setting for all families of school-age children in this area. We support all children & families in East Lothian through development and provision of quality play provision. We care for children ages of 4-12 years which allows parents/cares to undertake training or employment in the knowledge that their child/children are safe and happy.

For any enquiries or to pick-up a Parent/Carer Handbook please call Shirley .
